

Monthly Safety Meeting

In a past life, Bill Smith (retired F-16 fighter pilot and current CFI, owner of Sunrise Aviation LLC, and Sheppard AFB T-38 simulator instructor) was an accident investigating officer. He has prepared a program entitled "The makings of a military safety investigator -- Who's looking into your accident?" where he will share with us some insights and examples that just might be of interest to all of us who share the air with Sheppard AFB. Wings credit will be awarded to attendees.

Directions: Drive to 1801 9th St, Wichita Falls.
